RE: Position Opening

PROFESSIONAL OPENING FOR 18-19 SCHOOL YEAR

New Program Instructor opening for Pre-Engineering - Project Lead The Way

Region 10 Technical High School is seeking a full time Pre-Engineering Instructor to join our staff and help build our new Pre-Engineering program.

This school year position begins in September 2018 and will utilize the nationally recognized Project Lead The Way curriculum. We are looking for someone who is excited about teaching, engineering, and helping to build a new program as we work towards our vision to become a comprehensive four-year technical high school. This position requires a self-starter who is both a problem solver and creative in building a program to meet the needs of students and industry.

At least four years of experience in the engineering field is preferred, but other experience will be considered. All applicants must have a Bachelor's degree and be certified or certifiable in a math, science or related field, and pass the Maine State Criminal Background check.

Application review will begin July 23 and will continue until a suitable candidate is found. Please send a completed R10 Tech Instructor Application (located on our [website](#)), copies of certifications and transcripts, three current letters of recommendation, resume and a cover letter explaining why this position is attractive to you to:

Kellie Gardner, Administrative Assistant (gardner@r10tech.org)
Region 10 Technical High School
68 Church Road
Brunswick, ME 04011

We understand that it is sometimes difficult to secure required application materials during summer months, the holidays or a major weather event. Therefore, if you are interested in this position but are unable to secure requested recommendations or transcripts, please submit your cover letter, resume and application for our initial review with an explanation as to when to expect missing materials.

Salary and benefits per negotiated contract
