

Region 10 Technical High School

December 10, 2021

Dear Region 10 Students, Staff, Parents/Guardians and Community,

Since my last correspondence on December 3, 2021, we have recorded six positive cases of COVID-19 at Region 10. All close contacts have been notified.

The number of new cases continue to climb in Maine, topping 2,000 today. Please stay home if you do not feel well. When you come into our school, please wear a mask and sanitize your hands. Also, attempt to keep a safe distance from one another.

We have eight more school days before our anticipated holiday break. Let's work together to maintain a healthy disposition which will allow us to continue our work and schedule without disruptions.

Thank you for your anticipated cooperation and understanding.

Sincerely,

Paul K. Perzanoski
Superintendent/Director
