

**Region 10 Technical High School –**  
*A progressive student-centered public school*  
68 Church Road, Brunswick, Maine

**PROFESSIONAL OPENINGS FOR 24-25 SCHOOL YEAR**

**ELECTRICAL TECHNOLOGY INSTRUCTOR (full-time) – NEW POSITION!**

Region 10 Technical High School in Brunswick, Maine is seeking an Electrical Technology Instructor. The deadline for application is March 29, 2024 or until a suitable candidate is found.

**Job Goals:**

To provide a curriculum-based instructional program for skill development in safety, orientation to electrical technology and related theory, and instruction in all aspects of electrical technology and related skills and practices. The first year of the program is designed to provide entry-level skills into the electrical field. Students learn to install wiring systems from blueprints and according to the National Electrical Code. Students will learn to wire residential and commercial projects. Students will learn how to splice wires, install and wire receptacles, switches, light fixtures, low voltage systems, nonmetallic and metallic cables, and conduit systems. Year two of the program is designed to provide the second year student with additional skills in the electrical field. Students will build upon skills learned in year one by completing projects throughout the school district. Students are exposed to real work situations daily. Moral business practices and finances are discussed frequently. Graduates of the two year program receive credit for all 576 classroom hours required for their Journeyman license.

**Job Description to Include:**

- Develop and implement a new program curriculum and scope-and-sequence based on appropriate, relevant standards and goals, including unit, instructional, and assessment plans
- Develop lesson plans and deliver instructional activities that facilitate learning in accordance with the program curriculum
- Assist in the development of the annual program budget, and assure compliance with budget guidelines by establishing priorities and maintaining accurate records

**QUALIFICATIONS:**

- Must be eligible for provisional Certification and CTE Endorsement
- Successful Maine background check required
- Must hold or be able to obtain CHRC certification
- Experience working in the trade required with working knowledge of relevant industry standards

Salary and benefits per negotiated contract
